The ground is covered in tall, green grass and small yellow wildflowers. The overall scene is bright and serene, with sunlight filtering through the leaves.

A winter landscape with snow-covered trees and a fence, with a bright sunset or sunrise in the background. The scene is bathed in a soft, golden light from the sun, which is partially obscured by the branches of the trees. The sky is a mix of orange and yellow, with some clouds. The trees are bare and covered in a thick layer of snow. A wooden fence runs across the foreground, also covered in snow. The overall mood is peaceful and serene.
